- Returning Northland learners need not buy the items marked for new learners as they will already have these. However, if existing items have been lost or need replacing, please do so accordingly.
- The highlighted items on the list (tissues, hand soap, sanitiser, 2L ice cream container and T-shirt) are not available at Zululander and can be purchased from any other retailer.
- Please ensure that your child arrives at school with all the required stationery on the **first day of school**.
- Please **DO NOT** cover or label the exercise books. This will be done by the class teachers.
- Consumables (pencils, crayons etc.) may need to be replaced by parents during the year if broken or used up.
- Your child's stationery will be kept by the class teachers in the 2L ice-cream container you supply. Any remaining items at the end of the year will be sent home on the last day of the school year.
- Class stationery **WILL NOT** come home throughout the year. Please have a basic stationery pack at home for any homework requirements.
- Returning learners may re-use items left over from the previous year provided they are in good condition.

## Labels

- **All individual items of stationery and clothing must be marked with your child's name.**
