NEWS FLASH | *FEBRUARY 2026* | *1st Term*

Dear Parents

We have enjoyed a full and rewarding February. Our learners have enjoyed outings, sport and academic events and are really getting stuck into their term 1.

We are delighted to have Aunty Cazlyn back from maternity leave this month. Welcome back!

Our new computer lab is nearly ready. The building is done and we will be moving into it at the end of the term with 10 additional computers being added to our current 15. It is looking fabulous! Pop in and come and have a peek.

All our classes have enjoyed their outings this month. The Pre-school enjoyed their annual Teddy Bears Picnic at the Monzi Club. The Grade 1s went to the Dukuduku Library to learn about how a library works and the Grade 2 and 3s enjoyed their boat cruise on the Lake St Lucia Estuary followed by a picnic. The Grade 4-7s enjoyed their outing to iSimangaliso Wetland Park learning about ecosystems and different flora and fauna. We are so privileged to have these wonderful opportunities on our doorstep!

We all enjoyed our Valentine's day dress-up and being able to share some love with Hluhluwe Paws and Claws. Thank you for all the donations of pet food. Our furry friends will be delighted! We also enjoyed eating our pancakes on Shrove Tuesday at assembly, where we focused our attention on what Jesus has done for us and how we can shine His light in the approach to Easter.

The Grade 4-7s had the opportunity to attend a live online session with Elevate Education to learn about exam skills and preparation techniques.

Well done to all our swimmers who did so well at the inter-prep galas this month. It was fantastic to see so many of our swimmers on the podium. Congratulations to Andreas Georgiou for participating at the KZN Swimming Trials and receiving his King Cetshwayo colours.

Our cricketers have played some lovely matches and events this month. Our mini-cricketers played festivals at Felixton, Grantleigh and Veld en Vlei and our U11 and 13 cricketers have had matches against Umhlatuze Primary and Grantleigh. We have had lots of wins, a few losses and met up with some old friends and made lots of new ones along the way. Well done to our U11 boys, Jonty Fryer and Junior Maphumulo for making it all the way to the 2nd round of King Cetshwayo trials and U13 boys, Oliver Ferreira, Bonginkosi Xaba and Ryley dos Santos, for attending the 2nd round of King Cetshwayo trials. We are awaiting the results of these trials. We are very proud them!

Our U11 and 13 netball teams enjoyed a pre-season game against Umhlatuze Primary. We so enjoyed competing against them for the first time. Well done for the wins, girls!

We have been focusing on some important basics of Christianity this month, reminding our learners what Jesus did on the cross for them (John 3:16).

God Bless
