April 2026

2nd Term

Dear Parents

Welcome back to our second term.

We have enjoyed getting stuck into our winter term and already have some fantastic events and achievements to report back on.

Our pre-school learners have added some exciting activities to their schedule with the introduction of rugby skills for the grade R boys, kindly run by one of our dads, Damien Spengler. Additionally, the pre-school learners now have the opportunity to do Drama Club as an extra-curricular club and the whole pre-school is also enjoying weekly performing arts lessons as a co-curricular activity with Celecia Stadler. These are fantastic skills to build confidence and develop our little ones holistically, fostering a love for music, dance and drama.

Our grade 7s are on the go with their Yenza Prep lessons. This is a self-development and career exploration platform specifically designed to prepare our learners for the transition to high school.

The upgraded computer room is up and running and an amazing space for our computers, coding and robotics lessons as well as integration into other learning areas.

Congratulations to our hockey girls, Zoë Toerien (U12), Jorgan Orban and Leoné Delport (U13) who attended the KZN hockey trials and were selected to attend the next round of trials.

Congratulations also go to Milan Volschenk for being selected for the Umkhanyakude Netball team and attending KZN trials. We are so proud of all your achievements!

We enjoyed some Tag Rugby and Hockey against Richards Bay Christian School, with lots of fun on the day.

Well done to our cross-country runners for completing their second qualifier run at Hluhluwe for KZN cross-country champs later in the year. Our runners continue to train hard with their 100 club runs every morning.

The grade 3s enjoyed the first of their Big 5 Hike series with their walk through the Gwalagwala Trails with Khulisa Adventures. There were even some lifer bird sightings seen on the day!

Book character dress-up day was a highlight of the month with some very creative dress-up outfits. This tied in with our annual book fair by Books Alive, where learners had the opportunity to buy books and kindle their passion for reading.

Thank you to all our families for participating in the Easter Lucky Draw and a big thank you to all our sponsors for the amazing prizes donated. We raised a fantastic R14 000 as part of our fundraising initiatives.

It was good to interact with our parents at the recent parent meetings. Thank you for your support as we continue to work together.

Our focus this week has been about how our God is able to do so much more than we can even imagine. When we read the story of how Jesus brought Lazarus back to life (John 11:1-44), we can see how powerful our God is!
