NEWS FLASH

May 2026

2nd Term

Dear Parents

We have had a fun and rewarding May! Our Pre-Primary and Foundation Phase learners enjoyed a fascinating puppet show by Heather Tomlinson about their bodies - very informative in an interactive and fun way. The Grade Rs had a fabulous creative morning at the Art Gallery in St Lucia, making beautiful painted rocks. The Grade 1s had a super time at Dayspring Farm with all the farmyard animals and even a counting horse!! The Grade 2s enjoyed their cultural experience at Dumazulu, learning about indigenous homesteads and traditions. As part of their BIG 5 Hike series, the Grade 4s enjoyed their walk to the St Lucia Mouth, the Grade 5s experienced the beautiful sand forests of the Mpophomeni Trail at False Bay and the Grade 6s had a super morning hiking from Mission Rocks to St Lucia down the beach guided by Khulisa Adventures. There were some fantastic sightings from dolphins to crabs and fish eagles as well as breathtaking scenery in our beautiful heritage site. We are so blessed to be able to incorporate outdoor education into our curriculum!

Our hockey teams have had lots of matches, playing fixtures against Grantleigh, Felixton and Hluhluwe Private School as well as participating in various festivals and tournaments at Veld en Vlei, Grantleigh, Saints Challenge and Tiger Wheel & Tyre Tournament. Well done to our teams for the amazing improvement with lots of wins and fun along the way. Congratulations to our U13 Girls who came 4th in the Saints Challenge against 10 schools.

Our netball teams have had matches against Grantleigh and the rugby boys have played at Hluhluwe.

We had a very memorable and enjoyable morning of activities with all of our special Mums for Mothers day. Thank you for your participation!

The Inter-House Cross Country was won by Hawks this year and congratulations to our age group winners for their outstanding running.

Our fastest junior girl (Grade 1-3) was Erin Clarke, fastest junior boy (Grade 1-3) was Roger Ferreira, fastest senior girl (Grade 4-7) was Zoë Toerien and fastest senior boy (Grade 4-7) was Oliver Ferreira. Well done to our runners who participated in the Riverview League on Saturday, 30 May - we had some excellent results.

Well done to our staff who ran in the recent iSimangaliso Eco Run. Congratulations to Mrs Ferreira who won the 10km race and well done to Mrs Searle, Miss Khumalo, Aunty Michelle and even me, for completing the 10km. We hope to see you all at our More than Conquerors Challenge next weekend, 6 June.

Congratulations to our Con Spirito performers - We are so proud of our Senior Choir who performed so well, they sounded absolutely beautiful, and to our Northland dancers, who put in such a lot of hard work. Our learners who entered items in the art categories also excelled and did us all very proud!

Well done to all our participants at the recent spelling bee at MCA. They were very brave and did so well!

Thank you for supporting our grade 4 & 5 cake sale. We raised R3 000 towards our fundraising goals.

And lastly, a warm welcome to Uncle Mduduzi, who has joined the Northland family as an addition to our grounds team. We are excited to have him on board!

We have had lots of well-known Bible stories for our learners this month, but I think my favourite one is from Mark 2:1-12 when Jesus healed the paralysed man - nothing is impossible for our BIG GOD.

God Bless,
Anne-Mary Myhill
Principal
